

What is the Nurses Float?

On January 1, 2013, the President of the Tournament of Roses® will be a nurse. Her name is Sally Bixby and her presidency is giving the entire nursing profession the opportunity to honor and recognize the contributions nurses make to the lives of their patients and to the health of their communities. This is a wonderful way to say thank you to every nurse and to let anyone looking for a career to consider becoming a nurse. We appreciate your enthusiastic support of the Nurses Float.

The Board of Directors thanks you for your support of this exciting project.

Sally Bixby, RN, MS, CNOR was recently Director of Surgical Services at the City of Hope National Medical Center and Beckman Research Institute, Duarte, California and it is her presidency of the Rose Parade that is providing this unique once-in-a-life time opportunity. Sally has been a volunteer member of the Tournament of Roses® since 1989 and she will serve as president for the 2013 Rose Parade and the 99th Rose Bowl Game on January 1, 2013.

“Nursing has been a rewarding and fulfilling career for me,” says Bixby. “I am thrilled and honored that my colleagues are promoting nursing during my tenure as president of the Tournament of Roses.”

We need to raise \$300,000 to build a wonderful Nurses Float. All monies collected will go to support the building and decorating of the float and to maintain our web site and market the project.
